February 2: Mina Crasson presents "Ladies of the Club"

Ms. Crasson is a researcher, lecturer, and public speaker. She has portrayed important women and now lectures about the lives and legacies of ladies. Ms. Crasson will present a talk entitled, "**The Ladies of the Club**" about the origin of the women's club movement and several fascinating women who inspired great works.

February 9: "George Burns: His Wit and Wisdom" A look at George Burns (1/20/1898-3/9/1996) American Jewish Comedian and actor as presented in a video. A star of vaudeville, radio, film and television for over 70 years, he is especially known as part of the comedy team with his wife Gracie Allen.

February 16: Musical performance by vocalist Francine Evans & an pianist Joel Zelnik

Ms. Evans and Mr. Zelnik are a dynamic pair who are sure to please, You won't want to miss their visit to the HIWP.

Ms. Evans has appeared in every major New York City ballroom with her show and big band. She earned an M.A. from Montclair State University. Leonard Bernstein was a fan of her eclectic musical style. Francine is a former music teacher and also a theatrical producer in which capacity she produced hundreds of shows.

Jazz great Dr. Billy Taylor, was the first to give air play to Joel's first jazz album, "MOVE", which was reissued in Japan. Joel has entertained 5 presidents, has been a pianist/bandleader for thousands of events, and has performed at concert venues including the Windows On The World and The Rainbow Room. He has recorded four CD's and also holds an M.A. (from Rutgers University).

February 23: David Crasson offers "An Afternoon of Magic"
